BUDCO ANNOUNCES FORMATION OF “HEALTH SERVICE SOLUTIONS” DIVISION

Nationally renowned dependent audit leader to enhance website/health care information portal

HIGHLAND PARK, MICHIGAN –

Terry Niles, Executive Vice President , Sales and Marketing at Budco, announced today that the Highland Park Michigan company has formally established and branded a new “health service solutions” division in order to better serve the needs of benefits and human resources professionals who have engaged Budco to conduct their highly acclaimed dependent audit program.

“Budco is very proud to have earned the respect and recognition of over twenty Fortune 500 companies that have utilized our company to cumulatively generate over \$400,000,000 in healthcare savings since its inception over seven years ago”, commented Ms. Niles

“With the advent of our new Health Service Solutions division and web portal, coupled with an enhanced dependent audit operating platform, Budco remains firmly committed to maintaining and expanding our position as the nation’s leading provider of eligibility verification services.”
